

INITIALISE
OBJECT

```
graph LR; A[INITIALISE OBJECT] --> B[UPDATE OBJECT]; B --> C[DRAW OBJECT]; C --> B;
```

The diagram is a flowchart with three rectangular boxes arranged horizontally. The first box on the left contains the text 'INITIALISE OBJECT'. A horizontal arrow points from the right side of this box to the left side of the second box in the middle. The second box contains the text 'UPDATE OBJECT'. A horizontal arrow points from the right side of this box to the left side of the third box on the right. The third box contains the text 'DRAW OBJECT'. A feedback loop is shown by an arrow that starts from the top of the third box, goes up, then left, and then down to point at the top of the second box.
